I am traveling alone and would like to share a room. If possible, please assign a roommate. I understand that in the event there is no roommate available, the single supplement (\$750) will apply. *(Note: If you are traveling alone, please consider the importance of your own accommodations. Since most of us are photographers, capturing the nice light at the end of the day is normally a preference, and there are always surprises in nature that keep us from returning to the lodge or camp as planned, therefore days on safari are long. Having your own space, bathroom before dinner and your own room to download later in the evening can make a difference in your trip experience)*

\*\*I would like to room alone and pay the additional single supplement (\$750). Single rooms are on a first come basis.

\*\*\* Sign me up for the Hot Air Balloon Excursion over the Serengeti (\$575). This offering is optional and must be paid when you pay your initial deposit to secure availability.

**Special Note: Any payments after the initial 50% deposit MUST be paid by check or money order.**

Your signature below authorizes us to book you hold space or reservations which ever is applicable. It also authorizes Windows of Nature by Dee Ann LLC to execute the amount above to the credit card you have provided for your 50% deposit.
